Transcripts

Transcripts are sent directly to the students from the Registrar’s Office two months after the end of the semester, at their personal address.

Students who study at UQAM for the full academic year will receive one transcript for each semester.

**IMPORTANT**: Students have to change their address at the Registrar’s Office before they leave Montréal so they can receive their transcript at their home address.

BEFORE LEAVING

The Service d’accueil des étudiants étrangers web site is filled with practical information that will help students prepare their stay in Québec and at UQAM.

**Immigration**

**Québec Acceptance Certificate (CAQ) and Study permit**

If the duration of the studies is longer than 6 months, students must obtain the following documents before arrival in Québec:

- **Québec Acceptance Certificate (CAQ)** for studies issued by the Québec government (Immigration et Communautés culturelles)
- **Study Permit** issued by the government of Canada (Citizenship and Immigration Canada)

**No student will be allowed to pursue the exchange more than one semester if one did not have the CAQ and the Study permit prior to the exchange.**

**Visitor Visa**

Beware that candidates from certain countries must obtain a visa to stay in Canada even for a stay of less than 6 months. The list of those countries can be found on the Citizenship and Immigration website.

**Electronic Travel Authorization (eTA)**

Students entering Canada for a stay less than 6 months and who don’t need to provide a Visitor visa according to their country of origin, will have to obtain an Electronic Travel Authorization (eTA). Applying for an eTA will cost $7 CAD.

Click [here](#) to find out if you need the eTA.
### Mandatory Health Insurance

The law governing Quebec health insurance requires that foreign students be in possession of valid health insurance for Quebec. Consequently, UQAM charges all international students mandatory insurance fees of approximately CAN$ 332.00 per semester. **No insurance obtained in your country of origin will exempt you from UQAM's fees** for medical coverage.

### Reciprocal agreements for social security (Health Insurance)

The Quebec government have concluded reciprocal agreements for social security with certain countries. The agreements include a section on health which allows those countries’ citizens to receive certain benefits.

These countries are **Belgium, Greece, Finland, France, Denmark, Luxemburg, Norway and Portugal**. To find out more, please read the *Guide pratique pour les étudiants internationaux* (The International Students’ Guide).

You may also consult the RAMQ (Quebec health insurance board) website: [www.ramq.gouv.qc.ca](http://www.ramq.gouv.qc.ca).

### Internship and research supervision

**Very important** – Work and off-campus internships are not available for exchange students. Moreover, all research supervision must be assumed by the student’s home university. Exchange students are not authorised to register for internship courses at UQAM.

Beware that if one student decides to do an internship while on exchange at UQAM, one will have to obtain a Work permit, according to Immigration Canada. UQAM will not be responsible for students who intend to do an internship while on exchange at UQAM. They will be responsible to find their own internship.

More information can be found on the [Accueil des étudiants étrangers website](http://www.accommodation.qc.ca).
